- (2) be accompanied by a map showing (proposed) changes in area of supply or transmission if any change is desired in such area;
- (3) be accompanied by other documents mentioned in regulation 4 relevant to the amendments proposed;
- (4) be accompanied by such fee as specified in the Haryana Electricity Regulatory Commission (fee) Regulation, 2004.

7. Acknowledgment of application:-

- (1) On receipt of the application, the receiving Officer shall note thereon the date of its receipt and shall send to the applicant an acknowledgment stating the date of receipt.
- (2) If on scrutiny, an application for grant of a licence is found to be incomplete or deficient in any manner, it shall be returned to the applicant for making a fresh application after completing it or removing deficiencies. The applicant shall be advised in writing of any defects in the pleadings and the time allowed to rectify them. The applicant shall follow the procedure laid down in regulation 3 in respect of his fresh application except that the application processing fee will not be required to be paid again.

Provided that no Pleading shall be refused for defect in its form or content, without giving an opportunity to the person filing it to rectify the defect.

8. Calling for additional information

The Commission or any Officer designated for the purpose by the Commission may upon scrutiny of the application, require the applicant to furnish within a period to be specified, such additional information or particulars or documents as considered necessary for the purpose of dealing with the application.

9. Notifying the completion of filing of the application

If the Commission finds the application to be complete and accompanied by the requisite fee, information, particulars and documents and the applicant has complied with all the requirements for making the application and furnishing of information, particulars and documents, the Secretary or the Officer designated for the purpose shall certify that the application is ready for being admitted for grant of licence in accordance with applicable laws and communicate the same to the applicant within 15 days of receipt of complete information.

10. Notice of application

- (1) Within seven days from the date of receipt of communication of admission and numbering of the application under regulation 9, the applicant shall publish a notice in Form-3 (in case of a new licence) or in form-4 (in case of amendment in an existing licence) as applicable, in one issue each of a daily news paper in English language and one daily news paper in Hindi language having wide circulation in the area of supply or transmission for which the licence is sought.

- (2) In addition, such notice shall give the addresses of the offices at which copies of maps referred to therein may be inspected and the copies of draft licence perused or purchased and shall state that every local authority, utility or person, desirous of making any representation with reference to the application to the Commission, may do so as per the procedure prescribed in the HERC (conduct of Business) Regulation, 2004 within thirty days of the date of publication of the notice as aforesaid.
- (3) The Commission may direct that notice of the application be served on the Central Government, the State Government, the local authority or any other authority or person or body.
- (4) Within one week of publication of notice in newspapers under this regulation, the applicant shall intimate to the Commission the date of its publication and attach copy of such notice published in the newspaper with such intimation.
- (5) A person applying for a transmission licence shall immediately after applying to the Commission forward a copy of his application to the State Transmission Utility and inform the Commission of the date of its delivery. The State Transmission Utility shall within 30 days of receipt of the copy of the application send its recommendations, if any, to the Commission.

11. Notice of amendment proposed by the Commission

- (1) If in the opinion of the Commission, it is in public interest to make certain amendment or alteration to an existing licence, it shall publish a notice in Form-5 in one issue each of a daily newspaper in English and one daily newspapers in Hindi language having wide circulation in the area of supply or transmission, as the case may be, of the licensee.
- (2) A copy of the notice shall also be served on the licensee for obtaining his consent to the amendment or alteration proposed by the Commission.

12. Availability of application for inspection

The applicant shall make available sufficient number of copies of his application for grant of a licence or for amendment of his licence, along with documents specified in regulation 4 for inspection by any person in his own office(s) and in the office of the Commission, Electrical Inspector, Municipalities, Municipal corporations, Zilla Parishad and such other authorities or local bodies, as the Commission may specify and furnish to persons applying for them the copies of such documents at a price not exceeding the normal photocopying charges.

13. Consideration of objections

- (1) Any person intending to object to the grant of the licence or desiring any amendment in the proposed conditions of licence shall file objection within thirty days from the date of publication of the notice by the applicant. The objection shall be filed in the form of reply and as per the conduct of Business regulations. The Commission shall consider all objections received within thirty days of the date of publication of notice under regulations 10 and/ or 11.

- (2) Where an application for grant of a transmission licence is being considered, the Commission shall consider all suggestions or objections and recommendations of the State Transmission Utility sent to the Commission within thirty days of receipt of a copy of the application under regulation 10.
- (3) Where an application for grant of licence or for amendment or modification of a licence includes the whole or any part of any cantonment, aerodrome, fortress, arsenal, dockyard or camp or of any building or place in the occupation of the government for defence purposes, the applicant shall apply for and obtain the no objection required from the Central Government in terms of Section 15 of the Act before the application is placed for hearing before the Commission for grant of the licence.

14. Local Inquiries and Hearings

- (1) If the applicant has duly arranged for the publication of the notice of the intended application and the time for filing of the objection is over and after the applicant has furnished to the Commission the no objection, if any, required from the Central Government, the Commission may proceed to set the application for regular hearing.
- (2) The Commission shall give the notice of inquiry or hearing to the applicant, the persons who had filed objections, the Central Government, the State Government and such other authority, person or body as the Commission considers appropriate.
- (3) If any person objects to the grant of a licence applied for under the Act, the Commission may cause a local inquiry to be held unless the Commission is satisfied that the objection is of a frivolous or vexatious nature. Written notice of the enquiry shall be given to both the applicant and the objector.
- (4) In case a local inquiry is held, a memorandum of the proceedings shall be prepared and signed by the applicant, the Officer or person appointed by the Commission to conduct the enquiry and such other person as the Commission may direct.
- (5) The hearing on the application for grant or amendment of licence shall thereafter proceed as far as possible in the same manner as provided in the Conduct of business regulations.
- (6) Where an objection is received from any local authority concerned, the Commission shall, if in its opinion the objection is insufficient, record in writing and communicate to such local authority its reasons for such opinion.

15. Grant of licence

- (1) Where the Commission after considering objections under regulation 13 proposes to issue a licence to the applicant, it shall serve a copy of notice in Form 6 along with a copy of the proposed licence to the applicant to convey his willingness to accept the licence, within one week of its service on him.
- (2) On receipt of the willingness to accept the licence from the applicant, the Commission shall publish a notice in Form-6 stating the name and address

of the person to whom the licence is proposed to be issued in one issue each of a daily newspaper in English and one daily newspaper in Hindi language having wide circulation in the area of supply or transmission, as the case may be, of the proposed licence.

- (3) After receiving an intimation in writing from the applicant that he is willing to accept a licence in the form approved by the Commission and after the applicant satisfies the conditions specified for the grant of the licence, the Commission may direct the publication of the licence or such part or gist thereof as the Commission considers appropriate.
- (4) As far as practicable, the Commission shall issue licence within 90 (ninety) days of receipt of an application under regulation 3 or within 90 (ninety) days of the due completion of filing under regulation 9 whichever is later.

16. Rejection of application for grant of licence

The Commission, as far as practicable, within ninety days of receipt of an application for grant of a licence may reject an application for reasons to be recorded in writing . However, no such application shall be rejected without giving an opportunity to the applicant of being heard by the Commission.

17. Term of licence

The licence shall continue to be in force for a period of twenty-five years unless such licence is revoked.

18. Supply and inspection of printed copies of licence etc.

- (1) Every person, who is granted a licence, shall within thirty days of the grant thereof:
 - (a) have adequate number of copies of the licence printed and;
 - (b) have adequate number of maps prepared showing the area of supply or transmission as the case may be, as specified in the licence and ;
 - (c) make available a copy of such licence and map for public inspection at all reasonable times at his head office and at his registered offices if any, office of Commission and Electrical Inspector, and ;
 - (d) shall make necessary arrangements for the sale of printed copies of the licence and maps to all persons applying for the same, at a price not exceeding Rs. 1000/-;
 - (e) supply free of charge one copy of the licence and the relevant maps to the State Government, the Central Electricity Authority, Electrical Inspector, each of such Municipalities, Municipal corporations, Zila Parishad and such other authorities and local bodies as the Commission may specify, within the area of supply or transmission.
- (2) When a licence has been granted, three sets of maps, showing the particulars specified in Regulation 4 in regard to the licence, shall be signed and dated to correspond with the date of the notification of the grant of the licence by the Secretary or such Officer as the Commission may

designate in this behalf. One set of such maps shall be retained as the deposited maps by the said Officer and the other two sets given to the licensee.

19. Amendment of an existing licence

- (1) Where, after considering objections under regulation 13 on the proposed amendment in the terms and conditions of the licence, the Commission is of the opinion that it is in public interest to do so, the Commission may make such alteration and amendment as it may think fit.
- (2) No alteration and amendment shall be made except with the consent of the licensee unless the Commission is of the opinion that such consent has been unreasonably withheld.
- (3) In case of an application proposing alterations or amendments in an area of supply comprising the whole or any part of the cantonment, aerodrome, fortress, arsenal, dockyard or camp or of any building or place in the occupation of the Central Government for defence purposes, the Commission shall not make any alterations or amendments except with the consent of the Central Government.
- (4) Unless otherwise specified by the Commission in writing, the procedure specified in these regulations for grant of licence, in so far it can be applied, shall be followed while dealing with an application for amendment of the licence.

20. Revocation of licence

- (1) The Commission may inquire into the conduct or functioning of any licensee in carrying out the obligations under the Act or rules or regulations framed there under or the terms and conditions of its licence-
 - (a) upon receiving a complaint from any consumer or consumer association or any trade association; or
 - (b) upon a reference made to it by the State Government or by the Central Government or the Central Electricity Authority; or
 - (c) upon receiving a complaint from any company or person involved in the generation, transmission, distribution or supply; or
 - (d) upon its own knowledge or information derived from any source.
- (2) If the Commission, after making an enquiry, is satisfied that public interest so requires, it may revoke a licence in any of the following cases, namely:-
 - (a) where the licensee, in the opinion of the Commission, makes willful and prolonged default in doing anything required of him by or under the Act or the rules or regulations made there under;
 - (b) where the licensee breaks any of the terms or conditions of his licence the breach of which is expressly declared by such licence to render it liable to revocation;
 - (c) where the licensee fails, within the period fixed in this behalf by his licence, or any longer period which the Commission may have granted therefor –

- i) to show, to the satisfaction of the Commission, that he is in a position fully and efficiently to discharge the duties and obligations imposed on him by his licence; or
 - ii) to make the deposit or furnish the security, or pay the fees or other charges required by his licence;
 - (d) where in the opinion of the Commission the financial position of the licensee is such that he is unable fully and efficiently to discharge the duties and obligations imposed on him by his licence.
- (3) Where in its opinion the public interest so requires, the Commission may, on application, or with the consent of the licensee, revoke his licence as to the whole or any part of his area of distribution or transmission upon such terms and conditions as it thinks fit.
- (4) No licence shall be revoked under regulation 20 unless the Commission has given to the licensee not less than three months' notice, in writing, stating the grounds on which it is proposed to revoke the licence, and has considered any cause shown by the licensee within the period of that notice, against the proposed revocation.
- (5) The Commission may, instead of revoking a licence under regulation 20 permit it to remain in force subject to such further terms and conditions as it thinks fit to impose, and any further terms or conditions so imposed shall be binding upon and be observed by the licensee and shall be of like force and effect as if they were contained in the licence.
- (6) Where the Commission revokes a licence under this regulation, it shall serve a notice of revocation upon the licensee and fix a date on which the revocation shall take effect.
- (7) The proceedings including inquiry for revocation of licence shall be held in accordance with the relevant provisions of the Act and as provided under the conduct of Business Regulations.
- (8) Where the Commission has given notice for revocation of licence under sub regulation 6, without prejudice to any penalty which may be imposed or prosecution proceeding which may be initiated under the Act, the licensee may, after prior approval of the Commission, sell his utility to any person who is found eligible by the Commission for grant of licence.

21. Sale of Utility

- (1) Where the Commission revokes, under regulation 20 the licence, the following provisions shall apply, namely: -
- (a) the Commission shall invite applications for acquiring the utility of the licensee whose licence has been revoked and determine which of such applications should be accepted, primarily on the basis of the highest and best price offered for the utility;
 - (b) the Commission may, by notice in writing, require the licensee to sell his utility and thereupon the licensee shall sell his utility to the person (hereafter in this regulation referred to as the " purchaser") whose application has been accepted by the Commission;

- (c) all the rights, duties, obligations and liabilities of the licensee, on and from the date of revocation of licence or on and from the date, if earlier, on which the utility of the licensee is sold to a purchaser, shall absolutely cease except for any liabilities which have accrued prior to that date;
 - (d) the Commission may make such interim arrangements in regard to the operation of the utility as may be considered appropriate including the appointment of Administrators;
 - (e) The Administrator appointed under clause (d) shall exercise such powers and discharge such functions as the Commission may direct on case-to-case basis.
- (2) Where a utility is sold under sub-regulation (1), the purchaser shall pay to the licensee the purchase price of the utility in such manner as may be agreed upon.
 - (3) Where the Commission issues any notice under sub- regulation (1) requiring the licensee to sell the utility, it may, by such notice, require the licensee to deliver the utility, and thereupon the licensee shall deliver on a date specified in the notice, the utility to the designated purchaser on payment of the purchase price thereof.
 - (4) Where the licensee has delivered the utility referred to in sub-regulation (3) to the purchaser but its sale has not been completed by the date fixed in the notice issued under that sub-regulation, the Commission may, if it deems fit, permit the intending purchaser to operate and maintain the utility system pending the completion of the sale.
 - (5) The procedure for sale of the utility shall be the same as for the grant of a new licence as far as applicable for the purpose of determination of an eligible purchaser.

22. Vesting of Utility in purchaser

- (1) Where a utility is sold under these regulations, then, upon completion of the sale or on the date on which the utility is delivered to the intending purchaser, as the case may be, whichever is earlier-
 - (a) the utility shall vest in the purchaser or the intending purchaser, as the case may be, free from any debt, mortgage or similar obligation of the licensee or attaching to the utility: Provided that any such debt, mortgage or similar obligation shall attach to the purchase money in substitution for the utility; and
 - (b) the rights, powers, authorities, duties and obligations of the licensee under his licence shall stand transferred to the purchaser and such purchaser shall be deemed to be the licensee.

23. Provision where no purchase takes place

- (1) If the utility is not sold in the manner provided under this regulation, the Commission may, to protect the interest of consumers or in public interest, issue such directions or formulate such scheme, as it may deem necessary for operation of the utility.

- (2) Where no directions are issued or scheme is formulated by the Commission under sub-regulation (1), the licensee may dispose of the utility in such manner as it may deem fit:

Provided that, if the licensee does not dispose of the utility, within a period of six months from the date of revocation under these regulations, the Commission may cause the works of the licensee in, under, over, along, or across any street or public land to be removed and every such street or public land to be reinstated, and recover the cost of such removal and reinstatement from the licensee.

24. Suspension of Licence

- (1) If at any time the Commission is of the opinion that a distribution licensee –
 - (a) has persistently failed to maintain uninterrupted supply of electricity conforming to standards regarding quality of electricity to the consumers; or
 - (b) is unable to discharge the functions or perform the duties imposed on it by or under the provisions of the Act; or
 - (c) has persistently defaulted in complying with any direction given by the Commission under the Act; or
 - (d) has broken the terms and conditions of licence,

and circumstances exist which render it necessary for it in public interest so to do, the Commission may, for reasons to be recorded in writing, suspend, for a period not exceeding one year, the licence of the distribution licensee and appoint an Administrator to discharge the functions of the distribution licensee in accordance with the terms and conditions of licence:

Provided that before suspending a licence under this regulation, the Commission shall give a reasonable opportunity to the distribution licensee to make representations against the proposed suspension of licence and shall consider the representations, if any, of the distribution licensee.

- (2) Upon suspension of licence under this regulation , the utilities of the distribution licensee shall vest in the Administrator for a period not exceeding one year or up to the date on which such utility is sold in accordance with the provisions contained in regulation 21, whichever is later.
- (3) The Commission shall, within one year of appointment of the Administrator under sub-regulation (1), either revoke the licence in accordance with the provisions contained in regulation 20 or revoke suspension of the licence and restore the utility to the distribution licensee whose licence had been suspended, as the case may be.
- (4) In case where the Commission revokes the licence under sub-regulation (3), the utility of the distribution licensee shall be sold within a period of one year from the date of revocation of the licence in accordance with the provisions of

regulation 21 and the price after deducting the administrative and other expenses on sale of utilities be remitted to the distribution licensee.

25. Miscellaneous

- (1) Subject to the provisions of the Act, the Commission may from time to time issue orders or directions to be followed in regard to the implementation of these regulations.
- (2) The Commission may, at any time add, modify, delete or amend any provision of these Regulations.
- (3) The proceedings for activities as above shall be held in accordance with the relevant provisions of the Act, these regulations and as provided under the Conduct of Business Regulations.
