Tel. No. 0172 – 2582531(O), Fax No. 0172 – 2572359

Subject: Clarification to the Commission's Order Dated 25th April 2008 on Fixation of Tariff for Generation of Power through Solar Energy for FY 2008-09 to FY 2012 – 13.

CLARIFICATION

The Haryana Electricity Regulatory Commission (HERC) had passed an order dated 25th April, 2008 determining tariff for generation of power through solar energy for FY 2008-09 to FY 2012-13. The tariff determined by the Commission by the order was as under:

Solar Power plants commissioned upto 31/12/2009	Rs. 15.96 / kWh
Solar Power plants commissioned after 31/12/2009 but by 31/03/2010	Rs. 15.16/kWh

After detailed deliberations on the subject and subsequent feedback from the stakeholders the Commission considers appropriate to issue the following clarifications:-

1. The tariff (solar photo voltaic technology) determined by the Commission is for the projects to be set – up in Haryana whose DPR is approved by HAREDA.
2. All terms and conditions as specified in the Ministry of New and Renewable Energy(MNRE), Government of India policy no. 32/61/2007-08/PVSE dated 24th January, 2008 and subsequent clarification No. 8/3/2008-09/ST shall be applicable.
3. In line with the MNRE Guidelines the maximum capacity in Haryana shall be limited to 10 MW any developer would be allowed to set up a maximum aggregate capacity of 5 MW, either through a single project or multiple projects of a minimum capacity of 1 MW each or as to be specified by the MNRE, Government of India from time to time.
4. The tariff determined by the Commission shall be applicable only to the capacity eligible for incentives under the MNRE scheme

By order of the Commission
